Memorandum of Understanding Between HOPE Empowerment Corporation and Partners

Attachmer	nt #	4	
Page		of	l

As an active member of the Leon County Collaborative-Families First, in Leon County, Florida, we fully support the efforts of the HOPE Empowerment Corporation and this application. We agree to the following:

Ray of Hope United Methodist Church-as an active member in the community, we have commitments from members of the Tallahassee Police Department, Musicians, The Business Community and 7 College students to do the following:

- o Provide mentors and tutors weekly
- o Provide daily usage of 15 passenger van
- o Provide key community leaders to speak at the Family Community Workshops
- o Provide volunteers to the program

Williams Management, Inc.-as having expertise in the area of Disproportionate Minority Contact and community building technical assistance, we will do the following:

- o Facilitate Family Community Workshops
- o Facilitate Good Parenting information
- o Provide data relating to community trends & conditions as needed

City of Tallahassee Parks & Recreation Walker-Ford Community Center- as having the space and location of the targeted area and being very involved in the arena of reducing juvenile crime, we will do the following:

- o Provide space for all Family Community Workshops
- o Provide advertisement to the Bond community & surrounding areas
- o Make referrals of youth to the program
- o Provide volunteers and mentors

Florida A & M University SBI - as working with college students who desire to complete volunteer hours, community service hours and internships, we will do the following:

o Provide tutors, mentors & volunteers

Greater Frenchtown Revitalization- will do the following: o Provide a computer lab for use to the after school participants

o Participate in Family Community Workshops	-	-
